Q: My good friend is going to a Thai Message course in Laos, and then on to Bali and perhaps Nepal. I am looking to get her something that would be useful in a small pack. Any ideas?

— Nick
Santa Monica, California

If staying healthy is a priority, the Steripen Journey LCD Handheld Water Purifier (\$100, steripen.com) uses ultraviolet light to destroy waterborne viruses and bacteria like Giardia and Cryptosporidium within seconds.
